Emma Children’s Hospital/AMC, Amsterdam, Netherlands

René van den Wijngaard
Tytgat Institute
AMC, Amsterdam, Netherlands
Gastro-oesophageal reflux disease in the infant and older child
Chair: Hugo Heymans

RAOUL HENNEKAM – Motility disorders and genetics: The future is bright

ANDRÉ SMOUT – Non-acid reflux as a cause of symptoms

TOBIAS WENZL – Role of diagnostic tests in GORD

C O F F E E B R E A K

YVAN VANDENPLAS, TOBIAS WENZL, TAKER OMARI – Live demo: pH and pH impedance monitoring for symptomatic reflux disease

Gastro-oesophageal reflux disease in the infant and older child
Chair: Sam Nurko

MICHEIL VAN WIJK – Non-pharmacologic therapies for GORD

ERIC HASSALL – Uses and abuses of acid suppressing therapy for GORD in children

ANDRÉ SMOUT – New emerging therapies, including TLOSR inhibitors

MIKE THOMSON – Surgical endoscopic interventions for GORD, why and when?

LUNCH – Poster presentation and discussion with authors
14.00 – 15.30 Allergy and motility  
*Chairs: Gigi Veereman, Eric Hassall*

14.00  
**Sam Nurko** – *Eosinophilic oesophagitis*

14.20  
**Yvan Vandenplas** – *Cow’s milk allergy / food intolerance and motility*

14.40  
**Guy Boeckxstaens** – *New insights in patho-physiology and therapy in achalasia*

15.00  
**André Smout, Arjan Bredenoord**  
**Live demo:** *High resolution manometry*

**Tea break**

16.00 – 17.30 Extra-oesophageal symptoms and motility  
*Chairs: Mike Thomson, Michiel van Wijk*

16.00  
**Arjan Bredenoord** – *Belching, aerophagia and rumination*

16.20  
**Nathalie Rommel** – *Pharyngo-oesophageal motility in neurologically impaired children*

16.40  
**Sam Nurko** – *Extra-oesophageal symptoms and how do we treat them?*

17.00  
**Nathalie Rommel, Taher Omari**  
**Live demo:** *Pharyngeal HR manometry*

18.00  
Departure to Congress dinner – by bus from the AMC to the Maritime Museum
Programme day-by-day

Friday 9th December 2011

09.00 — 12.00

Obesity in the adolescent

Chair: André Smout

09.00

André Smout – Obesity and its relation to motility disorders

09.20

Ad Maselee – The gut as target for therapeutic interventions

09.40

Taher Omari – Swallowing and GI physiology before and after laparoscopic gastric banding

10.00

Justin de Jong – Surgical treatment (bariatric treatment)

Coffee break

10.45 — 12.10

Functional gastrointestinal disease

Chair: Miguel Saps

10.45

Hania Szajewska – Probiotics and functional gastrointestinal disorders: what the evidence says

11.05 — 11.45

Bacteria and GI health and disease

Key note speaker: Denise Kelly

11.45

Marc Benninga – Surprise, surprise!!!

12.10 — 13.10

Selected oral presentations

Chairs: Gigi Veereman & Yvan Vandenplas

13.10 — 14.00

Lunch – Poster presentation and discussion with authors
14.00 – 17.00 Abdominal pain
Chair: Arine Vlieger

14.00
René van den Wijngaard – From bench to bedside?

14.20
Miguel Saps – Functional abdominal pain and infectious disease

14.40
Carlo Di Lorenzo – What do we really need in the work-up of abdominal pain?

15.00
Miguel Saps – Pharmacological treatment for abdominal pain

Tea break

15.45
Miranda van Tilburg – Abuse and neglect in children with abdominal pain

16.05
Arine Vlieger – Non-pharmacological treatment for abdominal pain

16.25 – 17.00 The role of placebo in Irritable Bowel Syndrome
Key note speaker: Irving Kirsch

17.30 Departure to Anne Frank Museum – by bus from the AMC
09.00 – 13.00  Defaecation disorders  
Chair: Marc Benninga

09.00  Nikhil Thapar – Advances of enteric neurobiology: how close are we for clinical use?

09.20  Qasim Aziz – Brain imaging and visceral pain

09.40  Mark Scott – Rectal hyposensitivity: cause and effect, or an epiphenomenon?

10.00  Carlo Di Lorenzo – Diagnostic testing in constipation: is it necessary?

Coffee Break

11.00  Mark Scott –  
**Live demo:** Smartpill

11.30  Phil Dinning and Carlo Di Lorenzo –  
**Live demo:** Colonic HR-manometry

12.30  Justin de Jong and Bart Koot –  
**Live demo:** Percutaneous Endoscopic Caecostomy for refractory constipation

13.00 – 14.00  Lunch
14.00 – 16.30 Defaecation disorders
Chair: Carlo Di Lorenzo

14.00 Annamaria Staiano – Treatment of constipation: where do we go?
14.20 Bridget Southwell – Treatment of paediatric slow transit constipation
14.40 Marc Benninga – Long-term follow-up and course of life in children with constipation

TEA BREAK

15.30 Wouter de Jonge – Mast cells in intestinal inflammatory disease in mice and men
15.50 Nikhil Thapar – The clinical picture of pseudo-obstruction syndrome
16.10 Carlo Di Lorenzo – From ACE to Replace – role of surgery and transplantation in motility disorders
Social Programme

We cordially invite you to participate in our social events, which will give you an impression of Amsterdam.
Participant dinner at the 'Scheepvaart Museum'.
This maritime museum has been completely renovated and only opened its doors again last October. We ask a moderate contribution of €30 for this dinner.
Busses will leave from the AMC to bring you to the dinner site.
Return after the dinner on your own steam.

If you have already registered, but forgot to register for the dinner, please drop a line to epgs@amc.uva.nl and we will include you in this big event.

Visit to the Anne Frank House museum.
In small groups you will first get an introduction about Anne Frank and the museum and thereafter you can visit the museum.
After this visit there will be an one hour boat tour where drinks will be served. There is a maximum number for this visit, so apply timely. Busses will bring you from the AMC to the museum. After the boat trip you will be in the city center and you can make your own plans.

If you have already registered, but also forgot to register for this visit, please drop a line to epgs@amc.uva.nl and we will include you in this historic event.

*This visit is free of charge and we are very grateful to the Levi Lassen Foundation, which made this possible.*
**General Information**

**Venue**
The conference will be held at the Academic Medical Center
Lecture hall 5
Meibergdreef 9
NL-1105 AZ Amsterdam
T +31 20 566 39 26
F +31 20 697 55 94
E epgs@amc.uva.nl

**Working Language**
The language of the conference will be English

**Important Dates**
15 September 2011
Deadline for abstract submission
1 October 2011
Deadline for early registration at reduced fee
9 November 2011
Deadline for guaranteed hotel accommodation
8-10 December 2011
5th European Pediatric Motility Meeting

**Registration Fees**

<table>
<thead>
<tr>
<th>Role</th>
<th>Before 1 October 2011</th>
<th>After 1 October 2011</th>
</tr>
</thead>
<tbody>
<tr>
<td>Physicians</td>
<td>€ 525</td>
<td>€ 575</td>
</tr>
<tr>
<td>Trainees*</td>

<td>€ 325</td>
</tr>
</tbody>
</table>

*All trainees must send a letter from their program director to the EPGS

The registration fee includes all conference materials, participant’s reception, lunches and refreshments.
Registration on-line via www.epgs.nl

**Registration**
Registration on-line via www.epgs.nl

**Day registration possible:**
see website and at registration page

**Cancellation Policy**
We will reimburse 70% of the registration fee upon written cancellation before 1 November 2011. After that date no refund will be made.

**Abstract Submission**
Submission of abstract for presentation via epgs@amc.uva.nl. Maximum word count 350. Deadline to submit is 15 September 2011.

**Accreditation**
CME accreditation has been requested from the European Accreditation Council for Continuing Medical Education (EACCME). Accreditation has been received from the NVK (Dutch Ass. for Pediatrics)

**JPGR**
A special issue of JPGR will be published with contributions of all the speakers.

**BIC Registration**
(Dutch participants only)
Please fill in your full BIC number (11 digits) in the registration form.
The EPGS will registry you in the GAIA system after the conference

**Routing**
By plane: from Schiphol airport you can either take a taxi (± €35/€45) or you can take the train to Duivendrecht Station. From there you can take the metro (540 or 544, direction Gein) and get off at the Holendrecht stop. Information and tickets can be obtained from the Dutch Railway (NS) located in the main hall of the airport across from the Central Meeting Point (red and white checkered column).

By train: from Amsterdam CS, Rotterdam CS and Utrechts CS trains will pass the train station Holendrecht. From there a small walk of 3 minutes will get you to the main entrance of the hospital.

By metro: the following metro’s can be taken from different stops:
Metro 54: Central Station, Amstel Station, Duivendrecht Station, Bijlmer/Arena Station.
Metro 550 Amsterdam Zuid/WTC, Amsterdam RAI, Duivendrecht Station, Bijlmer/Arena Station (Both metro’s have direction Gein). Get off at stop Holendrecht, from there it is a 3 minute walk to the main entrance of the hospital.

By car: from all the main highways in the vicinity of Amsterdam the AMC is clearly indicated on the road signs.
Rooms have been blocked in hotels in Amsterdam, City Center. Connection by public transportation is easy from all hotels to the Academic Medical Center as well as to Schiphol Airport and Amsterdam Central railway station.

Dates: Wednesday 7, Thursday 8 and Friday 9 December 2011

Bookings can be made via the website: www.epgs.nl > courses and registration (button) > right under the Motility Meeting heading click on the link!

Deadline for guaranteed rooms is 9 November 2011. After this date booking of hotel rooms is subject to availability. For special requests please contact the hotel agency: epgs@mkproducties.nl

All hotel bookings should be guaranteed by credit card or by payment of a deposit (100% of your stay)
